2012's coolest new cars!

Awesome vehicles from the Geneva Motor Show!

LAST WEEK, Switzerland notched up its 82nd motor show, and it's still regarded as the most influential in the car world. Geneva was once again heaving with exotic, eco and elegant machinery. Here's what the man from Nuts liked.

WORDS: JONNY SMITH PHOTOS: FLYPHOTOS.COM

OUR MAN AT THE SHOW!

Fifth Gear presenter Jonny Smith is *Nuts*' car man. He likes orange cars!

FERRARI F12 BERLINETTA

This is quite simply the fastest, most powerful Ferrari road car ever created. It's all-alloy, styled by Ferrari's F1 wind tunnel team and has a digital rev counter on the passenger side to scare the wits out of whoever rides shotgun.

0-62: 3.1 SECS **TOP SPEED:** "OVER" 211MPH **PRICE:** £250K

HONDA NSX

Made in the USA, its futuristic angular, origami-shaped body panels hide a 4WD system called E-SH-AWD (Electric Super Handling All Wheel Drive) - the front wheels are driven by electricity, the rear gets power from a 3.5-litre V6.

0-62: 3.5 SECS **TOP SPEED:** 205MPH **PRICE:** £75K

automobili
Lamborghini

LAMBORGHINI AVENTADOR J

Only one of these roadsters has been made, and it's been sold for just over £1,750,000. It looks like an Aventador but the bodyshell is longer, lower and just 111cm tall. No windscreen, no roof and lorry drivers won't see you. Ace!

0-62: 3.0 SECS **TOP SPEED:** 217MPH **PRICE:** £1.75M

"Your taxi
awaits, Mr
Abramovich!"

Car just couldn't
resist mooning

TOURING SUPERLEGGERA DISCO VOLANTE

The Italian coach builder has basically recreated an Alfa Romeo from 1952 using the chassis of Alfa's recent 8C Competizione. Inside is a 450bhp Ferrari-built V8 which will crack 181mph. We absolutely love it.

0-62: 4.2 SECS **TOP SPEED:** 181MPH **PRICE:** £300K

INFINITI EMERG-E CONCEPT

Very pretty piece of kit indeed from Nissan's posh division. Based on a Lotus Evora, it has a little three-cylinder engine that charges the pair of batteries when you can't find a plug. A ten-hour charge gives you a 300-mile range.

0-62: 4.0 SECS **TOP SPEED:** 130MPH **PRICE:** £150K

Nuts 5

MANSORY McLAREN MP4-12C

Subtle as a fart in a sleeping bag, the lowered MP4-12C has been gunned over in a goldy grapefruit metallic finish, with lashings of gold carbon fibre. The 3.8-litre power plant's been increased by 68bhp, so top speed rises by 24mph.

0-62: 3.1 SECS **TOP SPEED:** 219MPH **PRICE:** £220K

HYUNDAI I-ONIQ

A corking little looker, Hyundai rolled out this concept futuristic sports hatchback that's a range-extender electric. In electric mode only, it can travel 75miles, or up to 435 miles with the petrol generator.

0-62: 6.0 SECS **TOP SPEED:** 100MPH **PRICE:** £TBC

BENTLEY EXP9F CONCEPT

And the ugliest troll of the show award goes to... oh dear. Hopefully, this will remain a concept, because while Bentley's answer to the Range Rover packs a twin turbo W12 engine, it has a face not even its mother could love.

0-62: 4.5 SECS (EST) **TOP SPEED:** APPROX 175MPH **PRICE:** £150K

MASERATI GRAN TURISMO SPORT

We reckon this is one of the best-looking Maseratis there's ever been. To distinguish the Sport from the older S look out for the new front bumper, LED running lights, new rear lights, steering wheel and roomier front seats.

0-62: 4.7 SECS **TOP SPEED:** 186MPH **PRICE:** £90K

MERCEDES SL63 AMG

The AMG 63 used to have a 6.2-litre engine but now goes for a 5.5 with two turbos. The result's 4.2 seconds to 62mph and, for some extra notes, a top speed of 186mph. Being an AMG there's a bodykit and the boot lid is carbon.

0-62: 4.2 SECS **TOP SPEED:** 155MPH (LIMITED) **PRICE:** £110K

PININFARINA CAMBIANO

It may be all-electric but just read the proclaimed stats: it's supercar quick and doesn't make a sound! There are electric motors in each wheel, making it 4WD, and over 125 miles can be covered before any charging is necessary.

0-62: 4.2 SECS TOP SPEED: 170MPH PRICE: £TBC

BMW M6

The M coupé has returned, this time sharing the same twin turbo V8 as the M5. It tips the scales at 1,850kg, but it certainly isn't slow as a result, getting to 62mph in just 4.2 seconds, thanks to 502lb-ft of turbo-fed torque.

0-62: 4.2 SECS TOP SPEED: 189MPH PRICE: £94K

RANGE ROVER EVOQUE CONVERTIBLE

The luxury small SUV goes roofless. Two years of development and about 75kg off the weight would be needed to make their four-seat sun-worshipper a reality, but Range Rover says if there's enough interest come 2014, it'll be made.

0-62: 7.6 SECS TOP SPEED: 135MPH PRICE: £31K

BUGATTI VEYRON GRAND SPORT VITESSE

It's hard not to be blown away by what Bugatti call "the most powerful roadster of all time". 0-62 has been dropped from 2.7 seconds to 2.5 and Bugatti has limited the top end to 223mph when the roof's dropped. Oof!

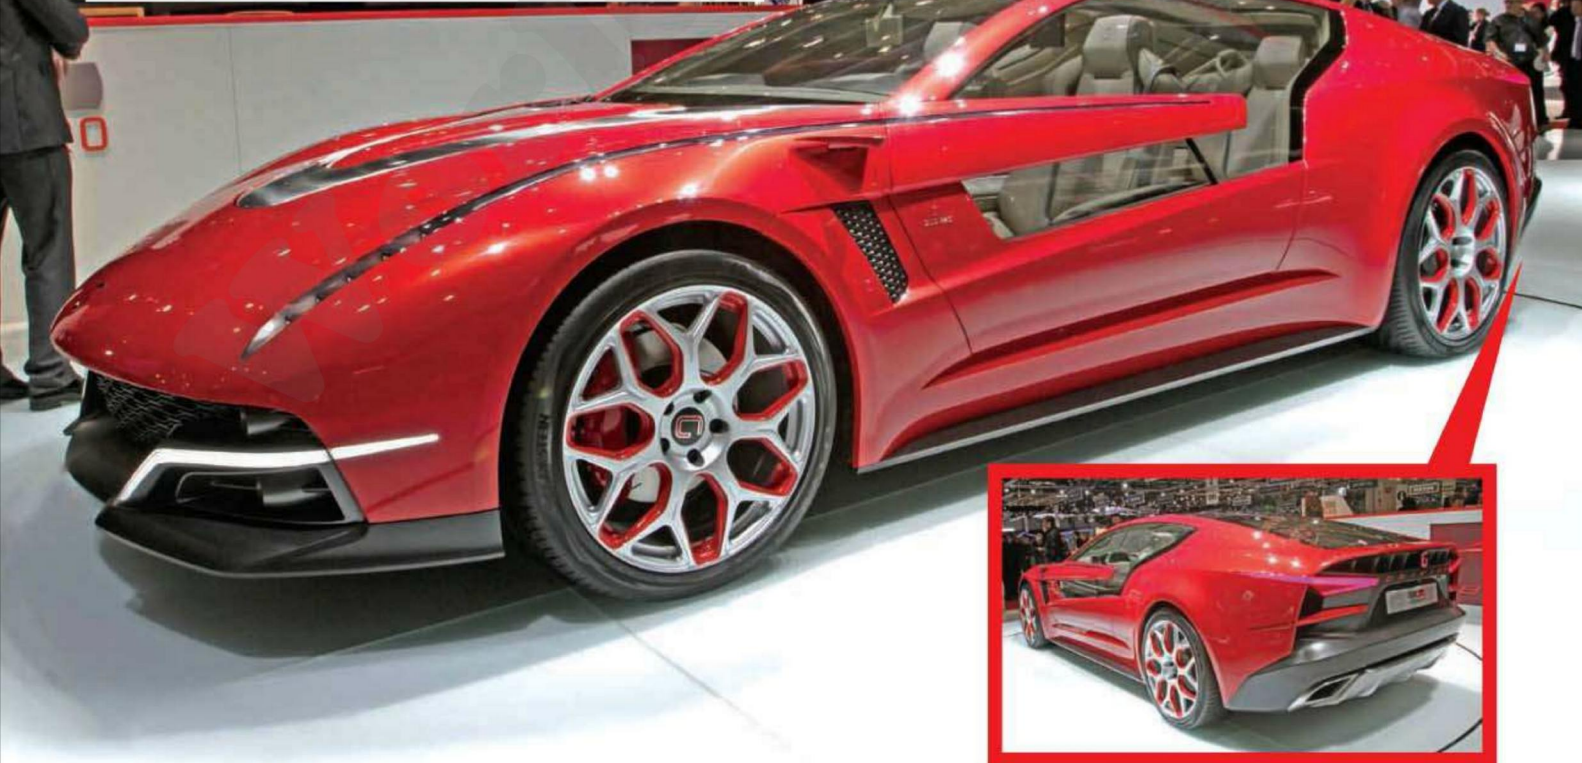

0-62: 2.5 SECS (EST) TOP SPEED: 223MPH (LIMITED) PRICE: £2.1M

GIUGIARO BRIVIDO

Combining the best of both worlds, this is Italian styled and German engineered (by VW). An aluminium and carbon-fibre hybrid, the steering wheel has a touch screen and there's a separate instrument panel for the passenger.

0-62: 5.8 SECS TOP SPEED: 171MPH PRICE: £TBC

Strictly sexy!

It's slinky ballroom dancer Ola Jordan, with gown removed!

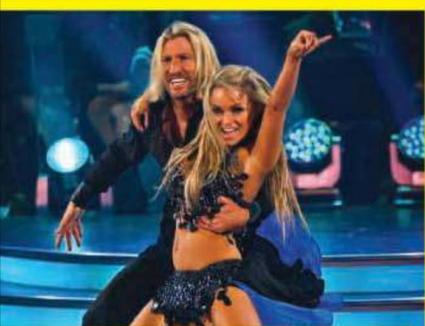

FOR A show that's essentially toothy, whoopsie-looking chaps dancing like it's the last century hosted by a confused pensioner, *Strictly Come Dancing* does boast a surprisingly strong selection of ladies. The hottest of whom is almost certainly Polish honey Aleksandra Grabowska (otherwise known as Ola Jordan) pictured here.

Week in, week out she pours herself into a selection of skintight, unforgiving dancing outfits, but it's hardly lingerie, is it? But this is. It's the spring selection from smalls designer Boux Avenue which, in another Beeb reality show link, is owned by *Dragons' Den* tooth factory Theo Paphitis.

Alan Sugar took the photos. Probably. Well, he's mastered every other business vocation.

WORDS: RORY BUCKERIDGE PHOTOS: WWW.BOUXAVENUE.COM

DANCING WITH THE STARS!

In the last series of *Strictly*, Ola, 29, partnered lady-haired footy bloke Robbie Savage.

Coulthard & Jordan's F1 preview!

The Beeb's top Formula One pundits on the new season!

THE 2012 F1 season begins in Melbourne, Australia this weekend and the race for the driver's championship has never been closer. To find out who'll be in contention for the F1 crown we spoke to ex-McLaren and Red Bull star David Coulthard and former team owner Eddie Jordan.

- *Australian GP runs 16-18 March. Catch extended qualifying and race highlights on the BBC, with live commentary on Radio 5 Live*

IT'S THE BEEB'S F1 EXPERTS!

Eddie and David are famous for regular on-screen bust-ups!

LEWIS HAMILTON

Coulthard says: "Lewis is a fantastic driver but to make a run at the championship he needs to sort out his life away from the track and come back from the trials and tribulations that dogged him last season."

NUTS VERDICT: FIFTH

FERNANDO ALONSO

Coulthard says: "Alonso is a remarkable driver – in terms of his commitment and relentless speed behind the wheel, he's fantastic. His challenge will depend on whether Ferrari can offer him a competitive car."

NUTS VERDICT: THIRD

SEBASTIAN VETTEL

Coulthard says: "Sebastian can be stopped this year – the last two seasons were incredibly close and if the German loses his mojo in qualifying it could make a huge difference in the race for the drivers' championship."

NUTS VERDICT: CHAMP!

JENSON BUTTON

Coulthard says: "Both the McLaren drivers are capable of winning the championship. Jenson beat Lewis last year and will want to continue that this season. It would be great to have the two Brits battling it out at the top!"

NUTS VERDICT: SECOND

Eddie Jordan on the teams...

RED BULL

"It would take a very brave man to bet against Red Bull this year. Their car is superb. Adrian Newey and his team are a work in progress and can still get stronger."

MCLAREN

"McLaren have to challenge Red Bull this season. F1's like life - it's all about competition. If you want to get the girl, you have to be better than the other guys!"

MERCEDES

"This is one team that's made a move forward during the winter. Michael Schumacher is also looking strong and they could be nearer to the top teams this season."

FERRARI

"Ferrari don't look very clever. They can do one fast lap with the tyres at absolute maximum, but that's it. They're the same as last season and could struggle."

MARK WEBBER

Coulthard says: "It would be great to see Mark do well, and especially win his home race this weekend. In terms of the title, he needs to recover his 2010 form. If he drives like he did last year he can't challenge for the title."

NUTS VERDICT: FOURTH

FELIPE MASSA

Coulthard says: "Felipe is a lovely bloke but he really seems to have lost something and is a shadow of his former self. He just doesn't look like he can return to the top level of Formula One and win races."

NUTS VERDICT: SIXTH

"Ah, so that's where
my net curtains went!"

Spider plague!

**Biblical invasion of eight-legged
freaks invade Aussie town!**

IF YOU have any fear of
spiders, best flick the page
now – this is not for you.

Still here? Excellent. For these are the
frankly traffic-stopping pictures of
the town of Wagga Wagga in New
South Wales, Australia. The region
had suffered severe flooding, which
was: a) inconvenient, and b) forced
hundreds of thousands of wolf spiders
to find refuge away from the water.

And this was the result. Acres of
farmland eerily covered in the threads
and webs of the creepy-crawlies, as
they all migrated together to safety.
Which is fine for the time being –
they're chomping on all the
mosquitoes rising from the flood
water – but if it doesn't recede,
they'll soon turn on each other in a
cannibalistic frenzy of spider vs spider
conflict. Which sounds awesome!

WORDS: RORY BUCKERIDGE

"Does anyone know
how to turn this dry
ice machine off?"

"Nice work, lads – this tree's going nowhere in a hurry!"

Wolf spider facts

- A wolf spider's bite isn't fatal to humans but is venomous and can result in swelling, mild pain and itching.
- All this silk is the result of "ballooning", where they let out lengths of silk in the hope that the wind will catch them and carry them away to another place.
- Uniquely, the female wolf spider carries her eggs in a sac attached to her abdomen. When the littl'uns are born, they climb up her legs and hang out on her abdomen.
- They range in size from less than 1mm to 40mm and live in nearly every terrain on Earth.
- There are over 2,000 wolf spider species.

Rihanna's saucy jeans ad

**Singer promotes trousers.
By mostly not wearing them!**

THERE ARE no flies on Armani's ad team.

Faced with the task of flogging jeans, they turned to Rihanna. And shot her almost entirely in her underwear. Honestly, she spends 70 per cent of the 1.02 minute video in her pants, only pulling on a pair of jeans with 20 seconds to go. Which is how we get ready for work. Only with considerably less sauciness!

Assassin's Creed 3 first look!

Upcoming new game set during the American War Of Independence!

➔ AS LOVELY and cuddly as the *Assassin's Creed* franchise is, with the last three games all set at the turn of the 16th century, it had become perhaps stuck in a rut. So all hail this news! *Assassin's Creed 3* has a new story, a new main chap and a new setting – America, in the War Of Independence!

Developers Ubisoft have had coders working on it for three years, and that means it's out this year, on Xbox 360, PS3 and PC, on 31 October!

● See the trailer now on www.nuts.co.uk/news

WORDS: PORY BUCKERIDGE

NEW SETTING

The Mohawk Valley of 1777 is where we first meet our new man. The valley was of great strategic importance to the Brits at the time, and was settled by their Native American allies, the Mohawks.

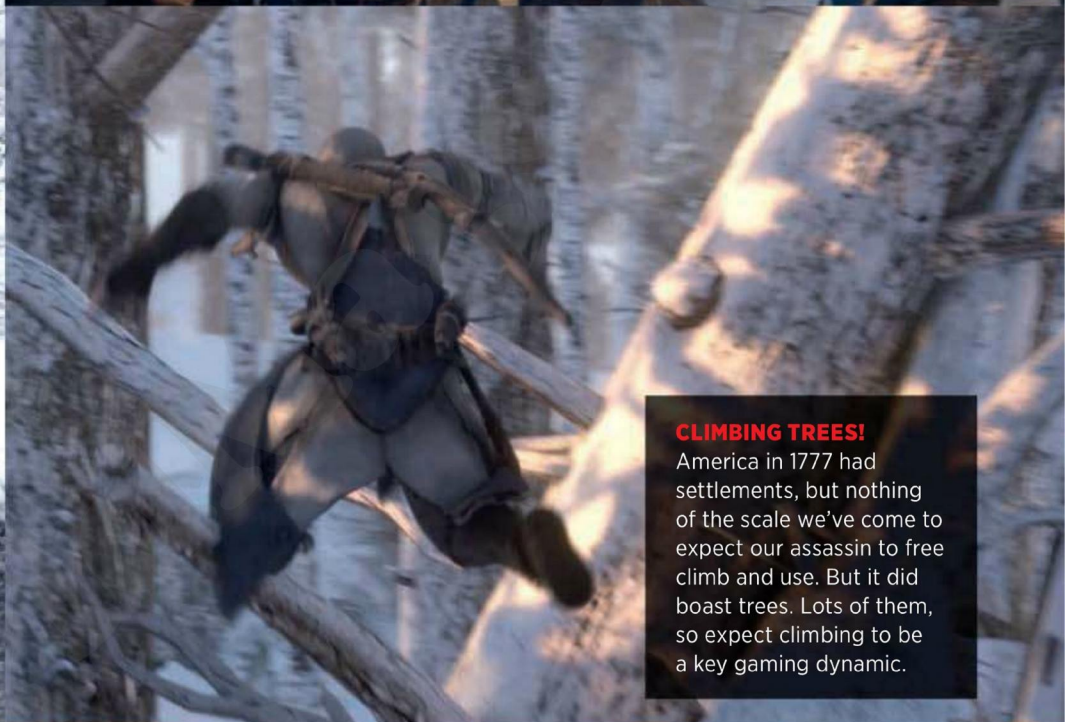

NEW HERO!

Welcome all-new assassin Ratohnaké:ton – a man of Native American and English heritage. Handily, he's known to his mates as "Connor". Interestingly, because the Brits are the "enemy" of the war!

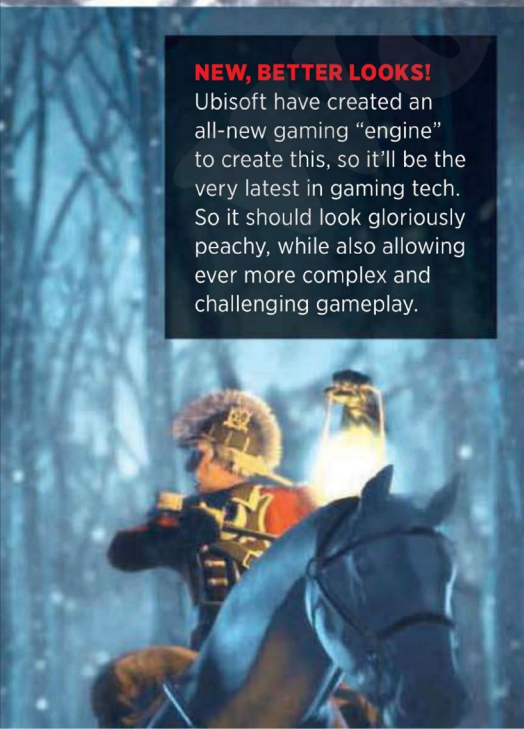

NEW COMBAT!

With new tech comes all sorts of delicious possibilities in combat. So our man will pull off more exciting combat, with better, more fluid moves, deeper fighting styles and ever more realistic gore.

CLIMBING TREES!

America in 1777 had settlements, but nothing of the scale we've come to expect our assassin to free climb and use. But it did boast trees. Lots of them, so expect climbing to be a key gaming dynamic.

NEW, BETTER LOOKS!

Ubisoft have created an all-new gaming "engine" to create this, so it'll be the very latest in gaming tech. So it should look gloriously peachy, while also allowing ever more complex and challenging gameplay.

THE AMERICAN REVOLUTION

It's set in the middle of the historical dust-up between George Washington's Continental Army and the British Empire. But that's a subplot for the Assassins vs Templars story arc.

Jennifer Love Hewitt

Wow. Just wow. This is from Jen's TV show where she plays a housewife-turned-hooker. A self-starting entrepreneur? Lord Sugar would approve!

The singer tweeted this pic from her holiday hotel. Possibly taken by her fella Justin Bieber. The floppy-haired, iPhone-toting git.

Avril doesn't usually blip our radar, normally due to the general rubbishness of her music. This pic did, though. Blip! Blip! Blip!

Puma's essentially paying Kimberley to dress in tight clothes and pretend to do exercise. Our routine also.

Here's Emma proving once again that ex-*Hollyoaks* actresses always do their very best work standing around in lingerie.

Katie Green

Christina had her phone hacked and personal pics leaked. Naughty hackers. Naughty, *naughty* hackers!

The new iPad!

That's what it's called.
"The new iPad"!

➔ **APPLE HAS** been bossing the computer tablet market since it launched the iPad in 2010. It's been a fair success – 55 million sold in 20 months. So a new one is cause for excitement. And here it is, the rather Ronseal-titled "The new iPad". Here's why it's good.

BETTER CAMERA!

It now has a 5.0-megapixel iSight camera for recording in full 1080p high def, with image stabilization. Then you can share vids straight to YouTube or Facebook.

IT'S 4G!

The new iPad works on the super-fast 4G network. Yay! Which isn't available in the UK yet. Boo! And 4G roll-out will take so long, it'll probably be The "new, new iPad" which will use it.

BETTER SCREEN!

It now has the same high-def "retina display" as the iPhone, but stretched over a 9.7in screen. So that's a million more pixels than HD TVs and four times sharper than the iPad 2.

A BIT BIGGER!

To cram in all this sweet HD tech, the Pad's been to the gym – at 662g, it's 49g heavier than iPad 2, and at 9.4mm is 0.6mm thicker.

FASTER CHIP!

It packs a customised A5X quad core chip. Some other tablets have quad core but none work as smoothly with the operating system, so the iPad will definitely still be the fastest tablet.

IT COSTS THE SAME!

Brilliantly, it costs the same as the boring old iPad 2, so prices start at £399 for a 16GB Wi-Fi one, to £559 for a 64GB, 4G model.

"A new pill for alcoholics!"

SCIENTISTS HAVE apparently developed a pill that makes alcoholics want to drink less. It works by blocking the areas of the brain that make you enjoy drink. As someone who's enjoyed a drink in the past, and fully intends to enjoy more in the future, I'm intrigued. If this pill stops you wanting to enjoy drink, does it stop you having fun, full stop? I just pray that they've also invented a companion pill that makes you attracted to fat chicks.

"Bad vibes from Tulisa!"

X FACTOR judge Tulisa was left embarrassed last week when a vibrator in her luggage went off just as she went through airport security. She claims she'd bought it as a gift

Mario's banana put Barry's inflatable satsuma to shame

"Don't be sorry, Mario!"

MAN CITY'S controversial striker Mario Balotelli has had to apologise to both his girlfriend and club boss Roberto Mancini for visiting a Liverpool strip club just 36 hours before a match. Mate, you don't have to apologise – you're only 22 years old! It's not like you were actually cheating on your girlfriend. And as for Man City's 36-hour curfew, tell them to go and f**k themselves! I mean, how much sleep can a player possibly need before a game? No, the only mistake Mario made was in choosing to go to a strip club in Liverpool – unless he secretly has a thing for bright orange chicks!

for a friend. Now that, readers, is what we in the industry call "a f**king lie". Vibrators don't come out of their packaging with batteries in 'em which means she must have been giving her friend a used vibrator as a gift. Which I can totally understand – I give my mates my used anal beads all the time.

"Hang on, who nicked my baguette?"

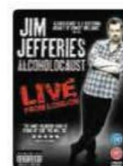

"A Hulk Hogan sex tape!"

A SEX tape featuring wrestler Hulk Hogan has just surfaced, and I'm looking forward to seeing it. I haven't missed a celebrity sex tape yet! I have a few, and I just pray I'm never famous enough for them to come out. Not because I'm ashamed of the way I'm f**king – they're just not edited very well. They always end with me walking around saying, "Sorry!" over and over again.

"Put a sock in it, Jake!"

JAKE LLOYD, the "star" of *The Phantom Menace*, claims the *Star Wars* films made his life hell. He was bullied so much, he claims it made him give up acting. Could this actually be because he was just a sh*t actor? I'm sick of all the bitching you hear from child stars. I'd have traded in my childhood to hang out on the *Star Wars* set, and the c**t's still got a career signing pictures at comic conventions. He's like Michael Jackson, complaining that his dad used to thrash him and his brothers until they got their dance steps right. The point is, they got them right. My dad did the same to me, and I still can't f**king dance!

She's got a hairy face!

My new girlfriend's very hot but she's got a really hairy face! She wears loads of make-up so when we're out, nobody can ever really tell, but when we wake up together in the morning, it's a different story. How do I tell her that she needs to get it sorted?

STEVIE Cardiff

A "really hairy face" can never be concealed by make-up. In fact, make-up will just make it look worse, I would've thought. Surely if she's your new girlfriend, you must have got involved with her in the full knowledge of her facial hair? I think you're being a bit unkind. Even if you truly have these reservations about her facial hair, the way you describe the situation makes me think you're an unpleasant yob. Don't think about telling her to get her face sorted, sort yourself out instead.

ILLUSTRATION: BILL MCCONKEY

LETTER OF THE WEEK!

She wants me waxed!

My girlfriend and I have just booked a summer holiday in the sun but she's told me to have a back, sack and crack wax because she'll be embarrassed to be with me on the beach. Should I be offended?

MALCOLM Burnley

To ask whether you "should" be offended is meaningless. It's like asking if you "should" like someone. Do you understand her concern about your body hair? Are you particularly hideous in these areas? At the end of the day, it depends on whether you want a harmonious summer holiday. Women should generally be obeyed!

I'm going bald!

I'm losing my hair and it's really starting to have a negative affect on my confidence with women. Do you think girls care about hair on a bloke or not?

T via email

I wouldn't worry – it's not important for girls. In fact, it's a good sign, as hair loss can be caused by high testosterone levels so you may be a bit of a goer. If it starts to affect your bush, you can always get a genital wig called a mirkin.

I don't trust her any more!

My missus has cheated on me and I'm finding it really hard to get over. Every time she goes out with her mates, I can't stop thinking about what she might be up to. It's ruining our relationship. What should I do?

FOSTER via email

Did she admit it or did you find out? What does she say about it? Was it a moment of drunken abandon or a deliberate act of infidelity? You should talk to her about the problem it's causing your relationship. If you can, forgive her, though this can be hard.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual address on p70.

RIZZLE KICKS

The Brighton chart-stormers on touring, playing Butlins and being punched by our Rosie Jones!

ello chaps! How's it going?

Harley: Hello Nuts! It's all good at the moment, thanks. We've been on tour, which has been incredible. We've been

getting such a great reception.

Jordan: I lost my voice, too! We did a gig at Keele University recently and there was a blackout before we went on stage, so we were delayed by about 45 minutes. I felt the need to proper go for it – but I went a bit too far.

So, where's the craziest place you've played recently, then?

J: Butlins!

H: Ha-ha! Butlins. You know what you're going to get when you're driving in and the Butlins sign at the entrance has all the letters missing apart from the B and the S. It was pretty fun, though.

J: Yeah, we had a couple of gigs there and, er, it was an experience, to say the least. It was full of p*ssheads!

You must spend a lot of time together. Are you like an old married couple?

H: We don't get fed up of each other's company, I'd say.

J: I don't, anyway. I like winding him up, though. Harley eats with his mouth open and he doesn't listen to people.

H: Jordan picks up on things that other people don't then gets annoyed about them. Ha-ha!

You're also in the new PS Vita ads. Are you big gamers?

H: Oh yeah, I'm a big fan. I love it! The Vita is beautiful and it's got a good mix of long and short games. There's a game called *Reality Fighters* which is really cool. You take a picture of your face and upload it on to your fighter. That's cool!

J: I play it until it runs out of battery. But they're really ace for on tour. I'm better at sports games, but Harley's better at all the rest.

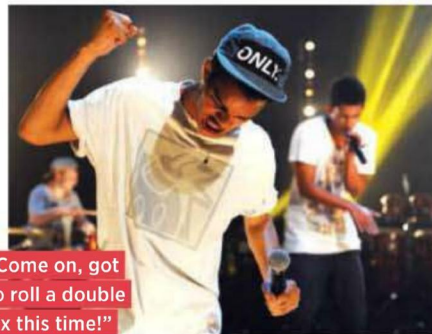

What else do you do when you're on tour and you have down time?

H: We play a lot of *Fifa*.

J: We had *Call Of Duty* on the last tour, but that got a bit out of hand. Our trumpet player is awesome at it!

H: We go through a lot of films, and we've started running a lot – but I guess that's not unusual.

J: I've just started reading again. I want to take up a new tour hobby, 'cos you have a lot of days where you have so much time to kill.

You're known for your collaborations. Who would your ideal collab be with?

J: Kanye West would be incredible. We'd proper love to work with him.

H: For me, I love any opportunity to do something a bit different – we love it. We've been working with a Brazilian band and a French artist, too, so listen out for that.

We hear you're big fans of Nuts' very own Rosie Jones.

J: Yeah, she's a friend of ours now!

H: A while ago, we saw her in *Nuts* and I said, "She's really fit, if I ever saw her I don't know what I'd do!" Then I met her and I seized up a bit! I felt like I was 12 years old again.

J: She punched me! We'd all had a few drinks and she was showing her feisty side. I said something trying to be funny and she laughed, but then punched me! Later she said, "If I'd have known you

were Rizzle Kicks I wouldn't have punched you!" Ha-ha!

Wow, so are you two "in" with the Nuts babes now?

J: Don't all the *Nuts* girls hang around together in their own little sexy girl gang? That's pretty cool. I saw on Twitter they were all in Vegas together and I was, like, you don't understand how much we'd like to be there!

H: How amazing would that be with six absolute fitties!

J: Yeah, or I'd look like their gay best friend. Unless I was necking all of them.

H: Nah, you'd still look like their gay best friend.

Do you get a lot of female attention now?

H: There's more female attention.

J: Yeah, you don't have to be good at chatting up girls if they think you're successful. I don't mean that in a tw*tty "look at me, I'm famous" way!

H: Yeah, if a girl knows who you are, that's a really good ice-breaker. It cuts out the bit where you normally f**k up!

If you went on *Take Me Out*, what skill would you show off to snare a girl?

H: I'd do a poetry recital. I don't really give a f**k about most things, but if I went on *Take Me Out* and didn't get a date, I'd lose a lot of confidence.

Finally, we notice you swear a lot in your songs. Have you been told off for that?

J: No, not at all! Our families are always listening to our stuff, but no one's picked up on it. I think we've got away with it.

H: Yeah, our cover on iTunes still doesn't say "explicit!"

J: It's because we look like cheeky scamps!

‘Iraqis called me *the devil* and put a bounty on my head!’

In six years’ military service, US Navy Seal sniper Chris Kyle claims to have killed 255 Iraqi insurgents. This is his story...

F ALL the fears engulfing Iraqi insurgents holding onto territory in battered Fallujah in 2004, the possibility that Chris Kyle

had them in his sights was one of their most dreaded. He could strike in darkness or daylight, picking them off in groups or on their own. He’d already felled dozens of their comrades and had struck without warning. Such was the fear he instilled in the insurgents’ leaders – he killed 40 men in the Second Battle of Fallujah – they dubbed him “al-Shaitan” (meaning “the devil”), and placed a £13,000 bounty on his head.

LETHAL SHOT

In four tours of duty with the US Marines, Chris recorded 160 confirmed kills in six years, making him the most lethal killer in US military history. His estimate is even higher – he claims to have killed 255 Iraqi insurgents.

Despite using a varied arsenal, Chris’ preferred weapon was one he had adapted himself, a custom-built bolt-action rifle with a powerful scope. It was designed to fire a .300 Winchester Magnum, a cartridge originally developed for hunting big game. “I could hit a target from 1,800 yards, and it would shoot like a laser,” Chris reveals.

In his book, *American Sniper*, Chris gives a unique insight into the lonely yet strangely intimate work of the trained killer. A sniper always knows any lapse in concentration could give the enemy a chance to kill his own men, yet a sniper

might watch his target for weeks before choosing the right moment to hit, knowing their movements, their quirks, down to what they have for dinner.

Even though he’s ended hundreds of lives, Chris claims the people he shot were savages. “They lived by putting fear into other people’s hearts. Civilized people don’t act that way,” he explains.

Awarded two Silver Stars and five Bronze Stars with Valor, Chris’ most

Chris became the most lethal killer in US military history

famous hit came outside Sadr City in 2008 when an insurgent with a rocket launcher moved into his sights near an Army convoy. Even though he was a huge 1.2 miles away, he fired a single shot from his .338 Lapua Magnum rifle and killed the target outright. “God blew that bullet and hit him,” says Chris, unwilling to take all the credit.

In fact, Chris’ skill with a rifle is so great, he’s written the *Naval Special Warfare Sniper Doctrine*, the official manual for Navy Seals – a work he created alongside the Pentagon to prepare America’s best for battle.

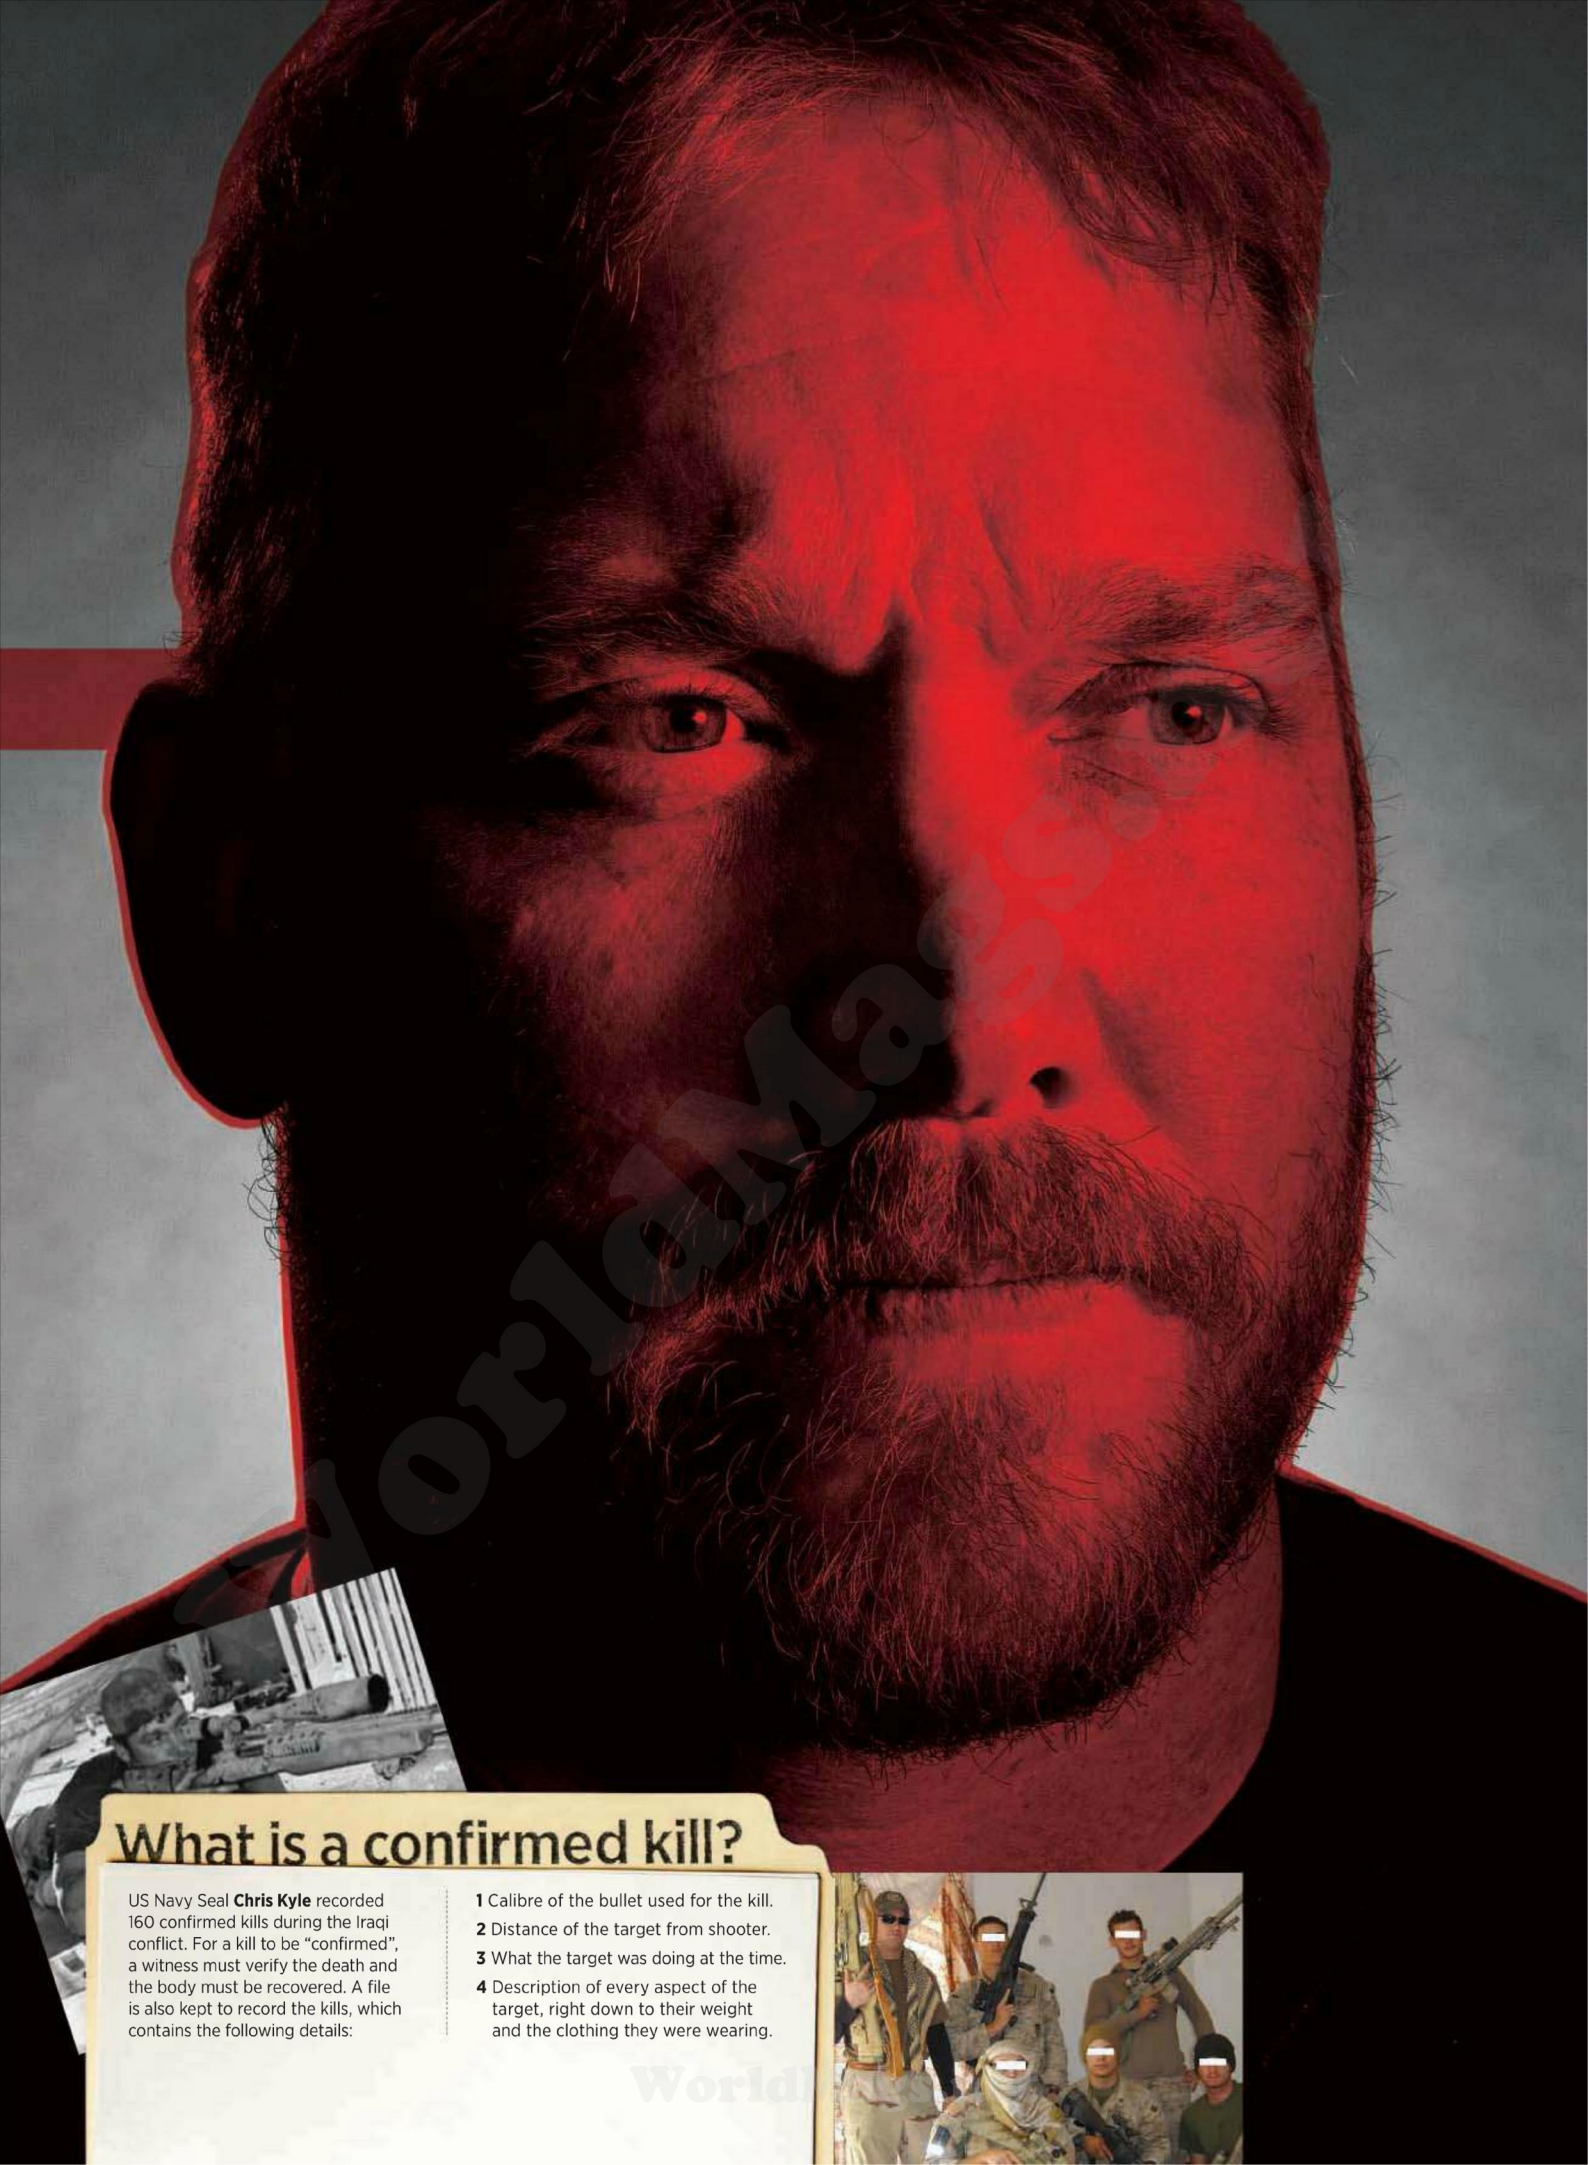

BRUTALITY OF WAR

But Chris’ story is about more than picking off unaware targets who’ve stumbled into his range. He’s been hit twice by enemy fire and been involved in several explosions. Indeed, on one scouting mission near Nasiriya, Chris’ unit were so severely outnumbered and trapped under such heavy fire that unit members contemplated calling in an Allied airstrike to kill themselves, rather than risk being caught by such a ruthless enemy. Chris even used the unit’s satellite phone to make what he believed to be a final call to his family. In a later firefight in Ramadi, Chris saw two of his best friends hit within a few hours. One was killed, the other severely wounded.

Chris left the military in 2009 to save his marriage – his wife Taya had her nerves shredded waiting for news of every battle back home – and his reason for telling his story with his book (Chris is donating his share of the royalties to charities supporting injured servicemen) is to raise awareness of conflict for people back home.

As he explains, “War is hell. Hollywood glamourises it but it is terrible, awful. I wanted to be able to tell of the suffering the military – and the mothers raising their children – go through, and the stories of those who are forgotten back home. Many didn’t get Medals of Honor, but they still died heroes.”

Chris’ book *American Sniper* (William Morrow nonfiction) is out now.

What is a confirmed kill?

US Navy Seal **Chris Kyle** recorded 160 confirmed kills during the Iraqi conflict. For a kill to be "confirmed", a witness must verify the death and the body must be recovered. A file is also kept to record the kills, which contains the following details:

- 1 Calibre of the bullet used for the kill.
- 2 Distance of the target from shooter.
- 3 What the target was doing at the time.
- 4 Description of every aspect of the target, right down to their weight and the clothing they were wearing.

A woman with long, dark, wavy hair is posing in a red, backless one-piece swimsuit. She is crouching, looking over her shoulder at the camera, and holding a strand of her hair with her right hand. She is wearing a red beaded bracelet on her right wrist and red high-heeled sandals. The background is a solid, bright yellow.

HOLLY PEERS PRESENTS...

101 Topless Babes!

Bra-busting Holly presents boobs galore!

38 Nuts

WorldMags.net

01 HOLLY PEERS

When it comes to bigness of bosom, we reckon that the lovely Miss Peers has no peers!

Hi Holly! How are you enjoying introducing our 101 topless stars? It's great, thanks! These features

are my favourite, just because of the sheer number of boobs. Lucy Pinder's my favourite topless star. She's done well in her career and is a classy brunette. She's also very lovely.

Who would you really love to see topless?

Katy Perry. She's so fit and proper cool. I think everyone would love to see what Katy Perry's bangers look like out of their bra, and I'm no exception. Russell Brand was a lucky man.

Do you have a girl crush on anyone at the moment?

I'm a massive fan of Arabella Drummond with all the tattoos. I think I'd look weird with tattoos, but she just really suits them and looks stunning.

Do you like *Take Me Out*? What do you think of the blokes?

It's quite funny when you get a really cringeworthy guy. I find that quite sweet. But to be honest, I've been been spending my Saturday nights on the town.

Would you ever go on a reality telly show?

I was on *Tool Academy* but I get a bit nervous in front of the camera. If I'm honest, I don't really think it's for me. I can't say I'm a natural – I just like doing my thing in *Nuts*!

You're really into Twitter. Who should we be following?

Joey Barton. He's so funny and always taking the p*ss out of people but he's obviously very intelligent, too. I loved it when he was having a go at all the *TOWIE* lot last year.

Thanks, Holly! Finally, as it's a leap year, who would you have proposed to on 29 February?

I think it's a man's job, but I'd propose to Tom Hardy. I'm pretty sure he lives in the UK, so I'm going to stalk him! ▶

101 TOPLESS BABES

02 KEIRA KNIGHTLEY

Something tells us this hot pic isn't an outtake from the *Pirates Of The Caribbean* movies.

03 JASMINE

We've always loved the scent of jasmine in bloom. But we love the sight of Jasmine even more.

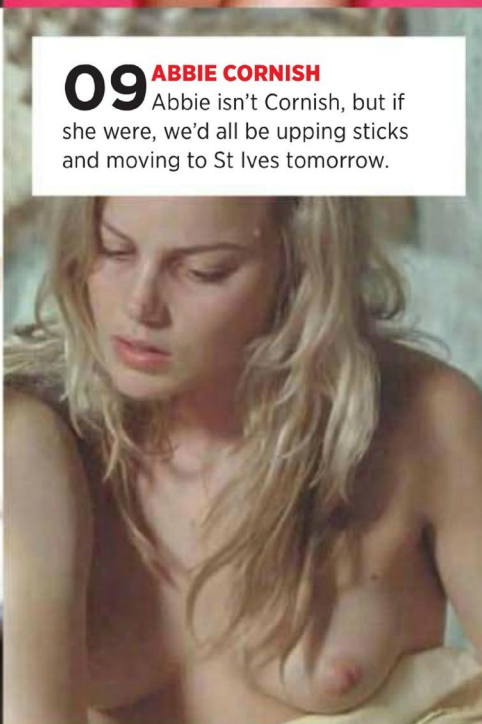

04 EMILY JOHNSTON

We think it's fair to describe Emily as funky. Luckily, here we can also describe her as topless!

08 COURTNE QUINLAN

She should change her name to Courtne Love. You see where we're going with this one,

09 ABBIE CORNISH

Abbie isn't Cornish, but if she were, we'd all be upping sticks and moving to St Ives tomorrow.

10 ANYA COCO

Cocoa's a word we associate with a hot drink. Coco, though, is a name we associate with this hot lady.

12 MORGAN LEES

The Bachelor's Morgan used to be a fitness instructor. How come our gym's just full of sweaty blokes?

13 RHIAN SUGDEN

Lingerie model Rhian deserves an OBE for services to boobs, such is the fine job she's done over the years.

14 LUCY HARROLD

We can't promise *Take Me Out's* Lucy a holiday to Fernando's, but we'd stretch to a Nando's.

05 KIRSTIE PATTERSON
Our favourite KPs: 1) This lady. 2) The cricket bloke. 3) The crisps. We're simple men, really.

06 KITTY LEA
Kitty's stroking her boobs like they're two little kittens, isn't she? No? We're trying our best here!

07 LEAH FRANCIS
Leah's a little scary as she's quite bonkers. But like all scary things, we can't help looking at her.

15 DANICA THRALL
Danica's admiring her bottom here, which is sensible, but this is a boob countdown, young lady. Boobs!

11 LINDSAY LOHAN
Enjoy this pic of sizzling Lindsay, because it's likely that she's in prison again by now. Well, it is!

16 KAYLEE CARVER
Kaylee seems surprised that if she opens her shirt, we'll see her boobs. We could have told her. ▶

17 ROSIE WHITEMAN

She's not the only Rosie in the list, but we're not complaining. Why would we? Just look at her!

18 HOLLY GIBBONS

We think if we were Holly, we'd stand in front of a full-length mirror with very few clothes on, too.

19 EVA

During this shoot, Eva pulled muscles in both her arms due to the sheer effort of holding up her boobs.

23 ELLE MACPHERSON

Elle's a modelling legend, and legend has it she looks lovely with her kit off. The legend is true!

27 CHARLOTTE HERBERT

Charlotte's Twitter name is @ChadSuicide, but she's not a dead bloke, she's a dead-fit lady.

28 INDIA REYNOLDS

India's allergy to plaid shirts may be an annoyance to her, but the rest of us can at least benefit from it.

20 BILLIE FAIERS
In this pic, Billie's being carried on a man's shoulders. We'd love to carry her away with us.

21 BETH CROWLEY
The "sunglasses on head" look was cool once. Thankfully, pert, lovely boobs never go out of fashion.

101 TOPLESS BABES

22 MELISSA GEORGE
Melissa confirms our belief that Aussie girls are blonde, tanned and not shy to whip their tops off.

24 SAMMIE PENNINGTON
There's an entry on the *Nuts* website named "Sammie Pennington Naked In The Shower". Just saying!

25 VIKKI BLOWS
She's the emo hottie with the banging boobies. Bow down to Miss Blows in all her topless glory.

26 STACI NOBLETT
Her last name might make us snigger, but her boobs give us a different reaction altogether!

29 KEELEY HAZELL
When she has to trim her lawn, Keeley sits and waits for people to come charging out to help.

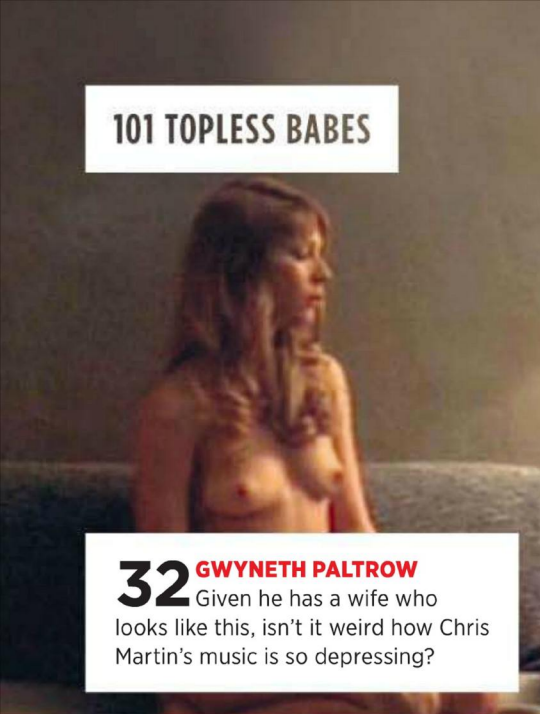

30 KEIRA JONES
Do you think if we ask Keira nicely enough, she'll give her hair a little flick to the side?

31 JESSICA-JANE CLEMENT
As you can see, JJC used to be blonde. One thing that's not changed is her boobiness. ▶

101 TOPLESS BABES

32 GWYNETH PALTROW Given he has a wife who looks like this, isn't it weird how Chris Martin's music is so depressing?

33 JENNIFER CLARK Doesn't the *Big Brother* beauty look comfortable? Wouldn't you like to cosy up with her? Er, yes!

34 JESSICA KINGHAM Jess isn't stood next to a mirror, she has an identical twin. OK, we jest, but isn't it a great notion?

36 EMILY SCOTT Emily's so devoted to toplessness, she's risking a shark attack and ruining a blouse for it.

39 LACEY BANGHARD One of the first things Lacey did on her first visit to *Nuts* was burp loudly. That's one reason we like her.

40 DANNI WELLS Is Danni looking sultry or angry? We can't tell the difference. Is this why we get slapped in pubs?

35 HANNAH MARTIN

If you're looking at this, thinking, "Gosh, what a clean room!" you need to rethink your priorities.

37 GEMMA ARTERTON

Of all the actor ladies in this list, we reckon that Gemma just pips it in the fitness stakes.

38 ARABELLA DRUMMOND

Women with tattoos tend to go for men with tattoos. Book an appointment at your local parlour...

41 AMBER ALLEN

Amber's a colour you associate with waiting, but Amber here couldn't wait to flash her boobs.

42 CARIANNE BARROW

Proof, if it were needed, that not everyone seen wearing a hoodie is automatically evil.

43 DANIELLE MASON

On our TV screens in *Big Fat Gypsy Weddings*, Danielle's at least one good reason to tune in. ▶

101 TOPLESS BABES

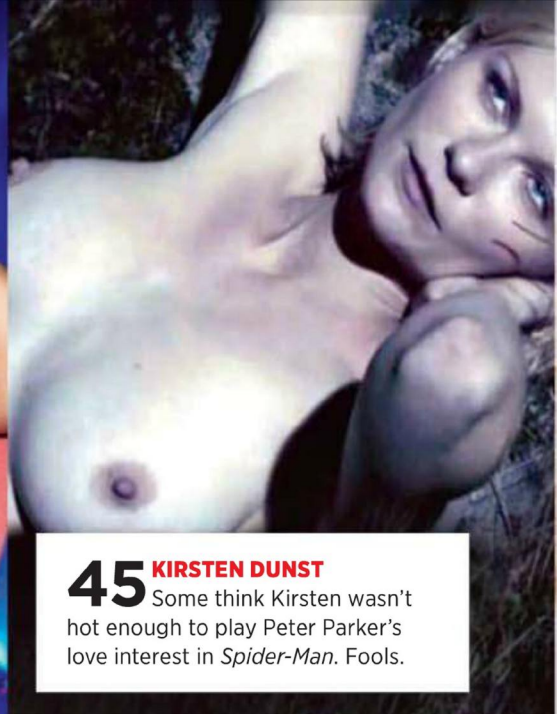

44 SOPHIE READE

The BB babe used to go out with Mario Balotelli until he did the dirty on her. Proof he really is insane!

45 KIRSTEN DUNST

Some think Kirsten wasn't hot enough to play Peter Parker's love interest in *Spider-Man*. Fools.

49 KELLY ANDREWS

We're fighting the urge to say, "Young lady, put some clothes on!" And finding it easy, actually.

53 GRACIE LEWIS

Are you cold stood there, Gracie? Would you like a warming hug? No? Oh, OK then. Sigh!

54 JODIE GASSON

Model Jodie also works as a make-up artist. Well, she certainly brings some colour to our cheeks!

55 LUCY COLLETT

We feel there aren't enough red-headed models. However, we insist they have to be as hot as Lucy.

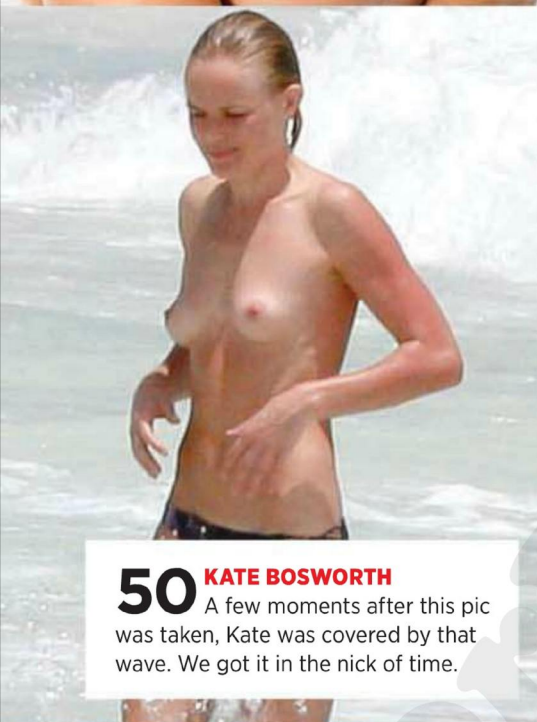

46 MEDDY FORD Meddy's been getting work behind the camera recently - we hope there's room for her boobs.

47 MEGAN FOX Here's one fox who won't have loud rumpy-pumpy in your garden. Although a guy can dream.

48 KIRSTIE Kirstie's so hot she doesn't need a surname. Even so, we call her "Kirstie Hotboobs" for some reason.

50 KATE BOSWORTH A few moments after this pic was taken, Kate was covered by that wave. We got it in the nick of time.

51 MELISSA DEBLING You'd expect the Garden of England to produce some English roses - cue Kent hottie Melissa D!

52 IMOGEN THOMAS The only "gagging" going on when we saw this photo came from us choking on our cuppas.

56 JESSICA SCOTT We don't actually know what the phrase "Great Scott!" means, but we do know it's applicable here.

57 NICOLE NEAL Nicole blew our minds when she first shot for *Nuts* last year. If you find those minds, please return them.

58 ROSIE H-W Rosie's currently with Jason Statham. Wow, their kids are going to be beautiful and hard as nails! ▶

101 TOPLESS BABES

59-60 **KLAUDIA AND LAURA BADURA**

We can't tell these two apart, but we intend to look very hard to do so.

61 **SAM COOKE**

Sam's often credited with having Britain's best boobs. We can't think why. Hang on, look at them!

65 **SABINE JEMELJANOVA**

Sabine says she has a kinky side. So, maybe we won't invite her to our next sausage and mash party.

66 **DANIELLE SHARP**

Danielle has to wear shades whenever she takes her top off because her boobs are so dazzling.

67 **AMY DIAMOND**

Who out there is feeling really jealous of that pendant right now? Because we know we are.

69 **KACEY BARNFIELD**

Lake Placid 3's about man-eating crocodiles, but we know it as The Film With Kacey's Boobs In It.

70 **POPPY RIVERS**

We're thinking of launching a Poppy Appeal - we're appealing for Poppy to never put her top on!

71 **ANNE HATHAWAY**

It's fair to say that Anne "Hathaway" of revealing her charming boobies in films. Sorry.

62 STACEY POOLE The booby Barnsley lass was new to *Nuts* last year. Look out for more from her in the coming months.

63 MICA MARTINEZ Miss Martinez can often be found larking around on one of those, er, naughty TV channels.

64 LUCY BRIGGS Lovely Lucy has a double G in her surname. We suspect those can be found on her somewhere, too.

68 DANNI Yes, we know. We're thinking exactly the same thing as you are right now, and that thing is, "Blimey!"

72 NICOLA MCLEAN Nicola was in *Celeb BB*. There haven't been a pair of boobs like that in there since Jedward!

73 STACEY MASSEY Massey by name, great mass-ey in the bra department by nature. Once again, sorry. ▶

101 TOPLESS BABES

74 LUCY PINDER Our very own "Queen of Boobs", Lucy's assets are deserving of an extra bank holiday, we reckon.

75 APRIL SUMMERS April is no relation to Ann, who owns all the sexy shops. But we'd like to take her on a trip to one.

79 ANNA FRIEL When Anna had a lesbian kiss in soap *Brookside*, the nation's men were understandably transfixed!

81 SEREN GIBSON We're sure former art student Seren would be impressed with our clay willy-making skills. Or not.

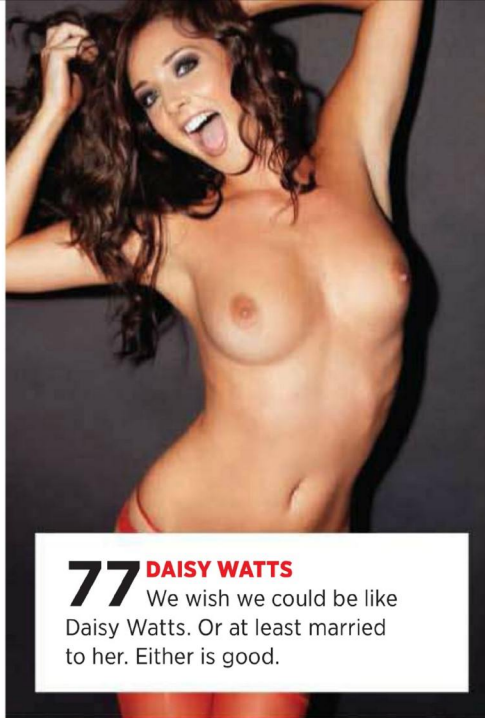

82 LINDSEY STRUTT We believe that this is what's known in the business as "being shot from a good angle". We agree.

83 SAM GRIERSON From *X Factor* hottie to X-rated shoot, Sam was more than happy to show off her talents to us.

76 ELLE BASEY What does Elle stand for? It stands for lovely, luscious, lithe, lovable and one L of a hefty bosom.

77 DAISY WATTS We wish we could be like Daisy Watts. Or at least married to her. Either is good.

78 EMMA GLOVER Emma sometimes brings cakes to the office. And she looks like this. Perfect lady? We reckon so!

80 SAMMIE JO Sammie tells *Nuts* she's a fan of all things vampire. Well, she certainly has supernatural boobs.

84 MELLISA CLARKE Kent cutie Mellisa's flying the flag for the "perky boob brigade". They're prettier than the fire brigade.

85 ROSIE JONES Quite simply, no round-up of beautiful boobs would be the same without the stunning Miss Jones. ►

101 TOPLESS BABES

86 EMMA FRAIN

Here at *Nuts*, we reckon Emma could be a catwalk model. Thankfully, she had other ideas.

87 ALICE SEY

For Alice, finding a vest that fits isn't high on her list of priorities. And for that, we're very grateful.

91 SOPHIE HOWARD

Surely Sophie's bra must need some counseling for the strain she's put on it over the years.

92 EMMA WATTS

We often get Emma mixed up with her namesake Daisy. How? They're both stupidly fit, of course!

93 KATIE LEIGH

With a hand on her stomach, you could say Katie's caressing the wrong bits. Up a bit. Up a bit more...

97 KIERA SWEENEY

You can spell "Keira" two ways. But Kiera has lovely boobs – no two ways about it!

98 SOPHIE HALL

The pretty Welsh lass is the best thing to come out of Caerphilly since cheese. She smells nicer, too.

99 SAM KELLETT

Chesterfield lass Sam is an air hostess by day. That's one safety demonstration we'd pay attention to.

88 PRUDENCE When ex-PM Gordon Brown used to talk about the importance of prudence, we think he was right.

89 CHLOE TWEEDY Look, it's Ms C Tweedy topless! Sorry, Cheryl fans, but we're sure you're not that disappointed.

90 AMY GREEN We like to think Amy's so happy because of the feeling of liberation toplessness brings.

94 KATIE GREEN Katie was dismissed from a modelling post at M&S, presumably for not wearing their bras enough.

95 SARAH RANDALL A lot of girls hide money down their bra, but Sarah could probably open up a small bank.

96 EMILY SHAW Emily's wearing a pair of boxing boots in this pic. Well, her boobs are an absolute knockout.

100 KELLY HALL Kelly does her stretching exercises like this. It's why she has a free membership at her local gym.

101 NATALIE BLAIR We'd have voted for Natalie over Tony Blair for Prime Minister any day of the week. **X**

Nuts STUFF

The week's best TV, movies, games fashion, music and tech!

THE APPRENTICE

WEDNESDAY • BBC1, 9pm

The business-based reality show is back!

Chelsea's new management team raised eyebrows

Friday 16 March

"I can't believe he bought my 'flap your arms' line"

Fast Five

SKY MOVIES PREMIERE/HD • 8pm

The fifth motor-mayhem flick in the *Fast & Furious* franchise reunites the original cast, this time with the action taking place in Rio. Stepping away from the awesome motors and becoming more of an action-heist movie, the crew are pursued by man mountain US security agent Luke Hobbs (Dwayne "The Rock" Johnson).

★★★★

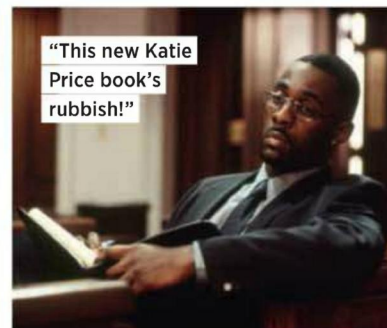

He was determined to give his new shoes the worn-in look

The Walking Dead

FX/HD • 10pm

As the zombie-fest comes shuffling to an end, things are finally starting to get proper exciting! After last week's shocking twist (we won't drop any spoilers) the gang suspect trouble is lurking in the woods, and we agree. Get off the farm, for god's sake!

★★★★

"This new Katie Price book's rubbish!"

The Wire

SKY ATLANTIC • 10.20pm

Keema's still fighting for her life after the botched undercover surveillance, and with the department enraged and demanding arrests after the attempted murder of an officer, the detail rolls over and lets the arrests roll in. And in the middle of it all, Bubbles seems to have become mixed up in the shooting.

★★★★★

CRIMINAL MINDS

SKY LIVING/HD • 9pm

Serial killer on the loose. Brainy FBI profilers dispatched. Serial killer tracked down. Serial killer apprehended. Show over. It's the same old story every week!

Saturday 17 March

"Urgh, the big scary ball's going to hit me!"

England vs Ireland

BBC ONE/HD • 4.45pm

Following the Six Nations title decider between Wales and France at 2.45, Ireland visit Twickenham for the final game of this year's tournament, with England looking for revenge for their thrashing at the hands of the Irish last year. Expect a few punch-ups!

★★★

He just loved his new Kevin Keegan hairstyle

Luck

SKY ATLANTIC/HD • 9pm

The heavy drama continues with a slightly more lightweight episode. There's a face-off between the very crooked Escalante and Ace over Ace's horse, Pint Of Plain. Escalante plans to race Pint Of Plain with a poor jockey, in the hopes of doubling the odds and placing an apt bet, but Ace sees straight through his plan.

★★★★

The casting for the Friends remake had mixed results

Sex Drive

CHANNEL 4/HD • 12.55am

It's one of those silly teen romp comedies, but this is genuinely funny. It's all about an 18-year-old student desperate to pop his cherry. He arranges to do so with a girl online, but she's 500 miles away, so the movie becomes a road trip. Clark Duke (the speccy kid from *Hot Tub Time Machine*) is corkingly funny.

★★★★

PUNT OF THE WEEK!

EVERTON VS SUNDERLAND

ITV1 • 12:30pm

The majority of Everton's wins have come by a margin of two goals this season, including both their FA Cup ties to date. Go for a similar scoreline today.

Sunday 18 March

"Accelerator, then clutch, then brake... no - clutch, then..."

Australian Grand Prix

SKY SPORTS F1/HD • 6am

It's the first round of the F1 season from Melbourne, and on this brand-new dedicated channel, too! Can McLaren's Brit heroes Lewis Hamilton and Jenson Button put an early spoke in the wheels of champ Sebastian Vettel's challenge? Hopefully!

★★★★★

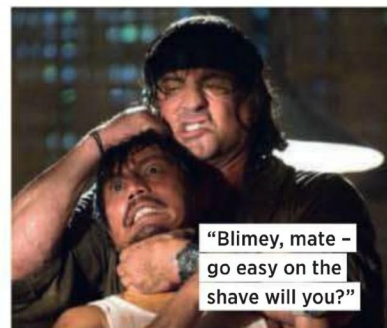

"These wedding photos are a bit grim"

Homeland

CHANNEL 4/HD • 9pm

If we could give this show six stars, we would. One of Brody's torturers has been captured and Saul and Carrie have him on US soil and are preparing to question him. But their superior insists Brody be involved in the interrogation, much to Carrie's dismay. Brody does his part very well, then there's an unbelievable twist...

★★★★★

"Blimey, mate - go easy on the shave will you?"

Rambo

CHANNEL 5 • 10pm

Absolutely awesome action thriller starring Sylvester Stallone. He's trying to eke out a quiet existence as a riverboat operator and snake wrangler in northern Thailand, but when a group of US missionaries are captured by Burmese soldiers, guess who has to lead a group of grizzled mercenaries into the warzone?

★★★★★

ONE WITH THE MISSUS!

HOW TO LOSE FRIENDS AND ALIENATE PEOPLE

CHANNEL 4/HD • 10.05pm

Not a good film by a long shot, but it does star Simon Pegg, who's OK. More importantly, the impossibly hot Megan Fox stars, too!

Monday 19 March

"Hmm, these ceilidh dancing moves still need some work"

Man City vs Chelsea

SKY SPORTS 1/HD • 7pm

It's the battle of the billionaires' playthings! The beleaguered London outfit are struggling to finish fourth. Still, an incentive here must be the chance to have an emphatic say in the title's destination, the honour City still have firmly in their sights.

★★★★★

"I knew the jaywalking would come back to haunt me!"

Grimm

WATCH/HD • 9pm

Fairy tale-based crime-busting that tonight sees Nick and Hank take on a case of suspected arson. They meet Hap, the owner of the burned-out home, and soon conclude the attack was an attempt on his life. Hap's a Blutbaden (a werewolf from Germanic folklore), by the way. And the fairy tale? *Three Little Pigs*, anyone?

★★★

"I simply must open one of these in Bognor!"

Embarrassing Bodies

CHANNEL 4 • 9pm

This is car-crash television at its very best. It's impossibly grim yet, oddly, we just can't help but watch the vast array of body oddities people display, often quite proudly. Dr Pixie McKenna meets a man whose buried penis is causing problems. You don't say!

★★★

IMMORTALS

SKY BOX OFFICE/HD • 2pm

It's from the chaps behind *300*. It stars Mickey Rourke and has CGI, but it's a stinker. Save your Box Office fee and buy some chips.

Tuesday 20 March

"It's true, dad - your Travelcard really is that expensive"

NEW SERIES!

Touch

SKY1/HD • 9pm

From Tim "Heroes" Kring comes this new take on the "everyone and everything is connected" premise. Kiefer Sutherland leads as a guy raising his mute 11-year-old son, Jake. The kid's obsessed with numbers and mobile phones and it's soon revealed he can communicate, via numbers. An interesting and heartwarming drama.

★★★★★

"Next time we'll book into a Premier Inn"

Alcatraz

WATCH/HD • 9pm

Although this new sci-fi-cum-thriller series is the brainchild of the chap behind *Lost*, we're not utterly baffled... yet. This week, Detective Madsen (fit), Doctor Soto (chubby), and Agent Hauser (looks like a turtle) have to track down a time-travelling sniper who's praying on the present-day citizens of San Francisco.

★★★

His chat-up body language wasn't the greatest

Hit The Road Jack

CHANNEL 4/HD • 10pm

Young stand-up Jack proves to be a surprisingly engaging host for his first prime-time series, which sees him travelling around the UK performing stand-up in specific locations (kicking off in Wales), and interacting with the eccentric locals. Amiable fun.

Four Rooms

CHANNEL 4/HD • 8pm

A clever show which sees a member of the public trying to sell a valuable item to four of Britain's top dealers in art, antiques and collectibles. But the dealers make their offers individually, and once an offer's rejected, there's no going back. Some brilliant items are up for grabs, and the dealers are immensely annoying berks. Good TV!

★★★★

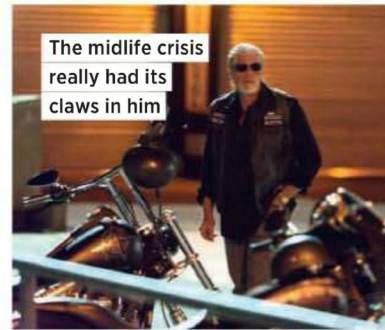

The Apprentice

BBC ONE/HD • 9pm

From the moment some chinless wonder in a cheap suit announces he's "like a shark" when it comes to business, we know we're in for the same winning formula of hapless entrepreneurs rubbing Lord Sugar's Velcro-like face up the wrong way. To kick off this latest series, it's a classic boys vs girls selling task. Ace!

★★★★★

Sons Of Anarchy

SUSA • 10pm

Prepare yourselves for possibly the best episode of *Sons* in an already corking season. Clay's life continues to spiral out of control – he's taken a hit out on Tara which goes terribly wrong and then he beats his old lady Gemma to a pulp when she susses him out. Elsewhere, Juice gets caught deeper in Potter's dealings.

Senna

SKY ATLANTIC/HD • 9pm

Days after the start of the F1 season, this docu, now on the free-to-air Sky Atlantic, is a timely reminder of one of the sport's greatest drivers. Brazilian Ayrton Senna had won three titles when, in 1994, a crash in the San Marino Grand Prix cut short his life aged just 34. This movingly captures his life on and off the track.

★★★★

John Bishop's Sport Relief Hell

BBC ONE/HD • 9pm

The Scouse comedian decided to give himself a hard time for Sport Relief, opting to cycle 185 miles from Paris to Calais, row the English Channel and then run 90 miles in three days. We may well make a donation – we're not going to follow in his footsteps!

★★★

Eastbound & Down

Nuts Games' top tips to help you win ££££s!

YOU MAY think Deal or No Deal is a game for those people who believe in so-called "systems". Well, the TV game show might very well be, but take it from us, the multi-line slot game most certainly isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent **Nuts Games** winner bagged himself a massive £58,236!

Head over to www.nutsgames.co.uk and start playing NOW!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

Click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

CONFESSION OF THE WEEK!

'We saw ourselves on CCTV'

WHEN I was working at my local pub, the relief manager asked me to stay behind after closing for a drink. I'd wanted him all night and so I decided to make the most of the situation. As we played pool, I lifted my skirt as I took my shot. You should have seen his face! Soon after, he was kissing my neck and running his hands across my breasts. The pool game was soon abandoned as we got down and dirty on the green felt, leaving a few sweaty stains behind. Watching the CCTV footage later was even better.

Melissa Liverpool

'The builders watched us'

AFTER I woke up one morning, I got out of bed naked and began getting changed, when out the corner of my eye I saw the builders on the scaffolding

across the road looking at me through the window. I instantly became turned on and decided to put on a little show for the lads. I woke my boyfriend up by stroking his c*ck. He became harder as he woke up and before long we were all over each other. The thought that the builders were

watching made me so wet and I kept glancing out of the window to see if they were still watching while my boyfriend and I got busy. He began to take me from behind and I was loving it. At that point my boyfriend also glanced out the window and saw the builders staring at us. He wasn't as impressed as I was and dived off the bed. Knowing people were watching and enjoying it made me horny, but I clearly need to work on my man!

Becki Birmingham

'Steam room gets hotter'

AFTER A tiring session on the slopes, I decided to wind down in the steam room. Following a hot ten minutes alone, I took my bikini top off so I could relax fully. Five minutes later, I felt a manly hand on my shoulder. At first I was shocked, but as the mystery hand started to massage me, I began to enjoy myself. Not knowing who it was made me feel naughty and aroused. As he kissed my neck, my desire grew. I turned around thinking it would be the hot English guy I'd met the previous night. Much to my surprise it was my tanned Italian ski instructor. His hands soon wandered down my hot wet curves. I invited him back to my room. You've never seen two people move so fast!

Alice York

'My strong, sexy hero'

LAST SUMMER my boyfriend and I went abroad together for the first time. One night when we tried to go in from our balcony, the door jammed, locking us out. I couldn't open it and began to panic but my boyfriend used his strength to break it open. I pulled "my hero" onto the bed and ripped his clothes off. I could see how much he wanted me so I went down on my knees, taking his erection in my mouth. He gave the biggest groan I'd ever heard and after a lot of teasing I climbed on top and placed his manhood deep inside me. I was now the one groaning in pleasure and it wasn't long before we climaxed at the same time. It was a perfect start to our holiday.

10 RUDE QUESTIONS!

And a real girl to answer them!

Sophie

19 West Yorkshire

1 Where's the strangest place you've had sex?

"On a park swing. We had the park to ourselves and there were no children around. It was so fun and naughty that I'd definitely do it all over again!"

2 What's your trademark move in the bedroom?

"I like to do a lot of teasing, and it's for me to know and the guy to find out and experience it."

3 What really turns you on in bed?

"I like to take control and tease the guy until he's begging for more. I also like dirty talk and asking him what kind of things he'd like to do to me. It really turns me on."

4 What's your favourite position?

"My favourite is stood up against a wall from behind. And reverse cowgirl. Everyone should try it!"

5 Is it better to give or receive?

"The more you put in, the more you get out, so it's good to have the best of both, I think. It turns me on giving and receiving."

6 What one thing would you really like to try but haven't yet?

"I'd like to try having sex on a Lilo in a swimming pool because it would be fun and slippery. It's not every day people have it on Lilos – unless you're lucky and live in Ibiza!"

7 Have you ever got it on with another girl?

"Yes, I've kissed a few girls and they liked it! Only when I was drunk, though, but I'm not quite sure if I'll go any further."

8 What would be your role-playing costume of choice?

"My favourite is my sexy crotchless prisoner outfit with stockings, suspenders and my heart-shaped boob tassels!"

9 Have you ever made a sex tape?

"Not a real one, but I have been filmed on CCTV before. The security guard saw it all and told me!"

10 What's the single rudest thing you've ever done?

"I sent my friend's boyfriend a really naughty text. He quite liked it though!"

"I sent my friend's boyfriend a sexy text!"

What next for Chelsea?

Former Stamford Bridge star Pat Nevin on the Blues' future plans!

➔ **THE SACKING** last week of manager Andre Villas-Boas has left Chelsea in a potential state of unrest and turmoil. Without a full-time replacement, outside the Champions League places and with a much publicised ageing squad and unsettled dressing room, what can its owner, Roman Abramovich do to restore the club to its former glory?

We asked Chelsea legend and Radio 5 Live pundit Pat Nevin what the Blues should do next.

GET A NEW MANGER!

"Chelsea have been fortunate in recent times that they can attract some of the world's best managers. Frontrunners have to be Jose Mourinho and Pep Guardiola, but I'd be tempted to go for David Moyes - he's someone who could do an excellent rebuilding job at Stamford Bridge."

INTERVIEW: TIM BURNETT. PHOTOS: ACTION IMAGES, GETTY IMAGES, SHUTTERSTOCK

CHOOSE A PHILOSOPHY!

"Abramovich has taken the Real Madrid approach to managers, getting a new one in every season. Maybe it's time for Chelsea to adopt a longer-term strategy, rebuilding is a two- or three-year job and is more cost-effective than starting again every season!"

FORGET ABOUT THE CHAMPIONS LEAGUE!

"A lot of emphasis is placed on qualifying for the Champions League, but if Chelsea fail to make it this season, it isn't the end of the world. Financially, the club can take the hit and a year out of the competition will give whoever comes in more time to rebuild the ageing squad."

PUNDIT PAT!

A former Chelsea player, Nevin is a football analyst and pundit for Radio 5 Live and Channel 5.

REBUILD THE TEAM!

"This has to be a gradual process – just look at Man United. They bring through youngsters while still keeping continuity with players like Giggs and Scholes. There's a knee-jerk reaction to get rid of the likes of Lampard, Terry and co, but these players have years left in them."

DON'T RELY ON YOUTH!

"You can bring through as many kids as you like but they have to be good enough! Anyone who comes from the academy has to eventually replace world-class players. It's a gradual process. Even Barcelona only get one or two through a season."

THE SOLVE A STADIUM PROBLEM!

"The stadium issue is a can of worms. Move away and increase capacity and support, or stay and keep the heritage and tradition. I think most fans would prefer to stay put and don't want to lose the soul of the club."

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"I've done it! I've got a touch of the ball on a Messi dribble!"

Messi is the greatest of all time!

Pele, Maradona and Best can't beat the little Argentine!

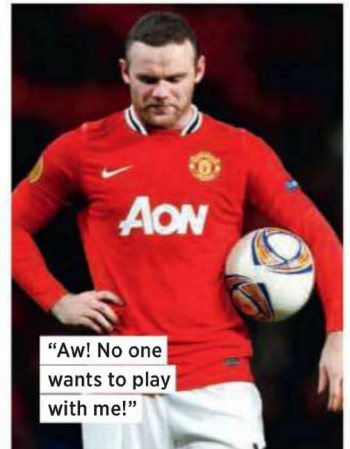

➔ **I DON'T** often feel sorry for Cristiano Ronaldo but last week, as Lionel Messi was scoring his fifth in Barcelona's rout of Bayer Leverkusen, I spared a thought for the Portuguese striker. In any other era, he'd be regarded as the finest footballing talent of his generation, but every

time he does something amazing, Messi beats him!

The Argentine is the greatest footballer I've ever seen, better than Pele, Maradona and George Best. He has it all and plays with such ease – he can score with both feet, head, dribble, pass, everything!

A lot of people have said that until he wins a World

Cup, he can't be classed in the same bracket as Pele or Maradona, but for me that's nonsense. The World Cup's not as important as it used to be – the Champions League rules the roost nowadays and Messi has three of those already, not to mention five La Liga titles and three Ballon d'Ors, and he's only 24! It's just not fair!

"Aw! No one wants to play with me!"

Europa League shocker for Manchester!

IT TURNS out the Europa League isn't as easy as Man City and Man United thought. Both really struggled last week but I think Fergie's boys will have the biggest problem qualifying. I watch a lot of Spanish football and the technique in La Liga is superb. Bilbao are a top side and in Fernando Llorente they have an outstanding centre-forward who can score goals for fun.

I fancy City to overcome their 1-0 deficit at home to Sporting Lisbon. The Blues weren't great but their quality should see them through. We're running out of English sides in Europe, and fast!

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

AMAZING ARSENAL!
The Gunners' comeback against AC Milan was incredible – they came so close to getting that fourth goal, Wenger's men just ran out of steam at the end but deserve every credit.

UNBELIEVABLY BAD!

DOWN FOR DAWSON!
I really feel for Michael Dawson. The Spurs defender is out for the season and will probably miss out on the Euros, too. Get well soon, Michael!

THE BIG MATCH!

It was a bad time for a sneezing fit

RVP to City? I'm not so sure!

SO, ROBERTO Mancini wants to sign Robin van Persie? He'll have to join the queue! Man City can afford the Dutchman but a lot will depend on the Blues winning the league. If they don't, Mancini might not even be there! A front line of Van Persie, Aguero and Balotelli would be fantastic but I think the striker will probably favour a move to Barcelona to join up with his old team-mate Cesc Fabregas. Who on Earth would pass up the chance to join the greatest club side of all time?

"Hey, Wright-Phillips! High five!"

Man City vs Chelsea

19 MAR, 7.45PM • Sky SP1/HD

Even though Chelsea are under new management, I can't see them causing Man City any trouble. Roberto Mancini's squad is packed full of big-game players, Carlos Tevez is on the way back and City know that any slip-ups they make will be punished by Man United.

KAMMY'S PREDICTION: 2-0

Key man

Sergio Aguero is a key man. The Argentine drops into little pockets behind the main striker and can cause all sorts of damage as a result.

Bad boys should get real!

I WAS disappointed to see Jermaine Pennant and Roger Johnson in trouble for breaches of discipline. Pennant was out partying till 5am on a match day and Johnson turned up to training worse for wear. There's plenty of time to party when you finish playing, chaps!

"In a minute, love – I'm just drawing my face on the window"

SPOILING SQUIRREL!

This animal invader is the Loftus Road squirrel, which made its pitchside debut during the QPR vs Everton game. We hoped it might cheer up Mark Hughes. It didn't.

WACKY WHEELCHAIR!

Our favourite bit of pitch invading. This cheeky chap got onto the field during the Chesterfield vs Bournemouth game, before being ushered away by his carer.

Mental pitch invasions!

The weirdest uninvited guests in footy!

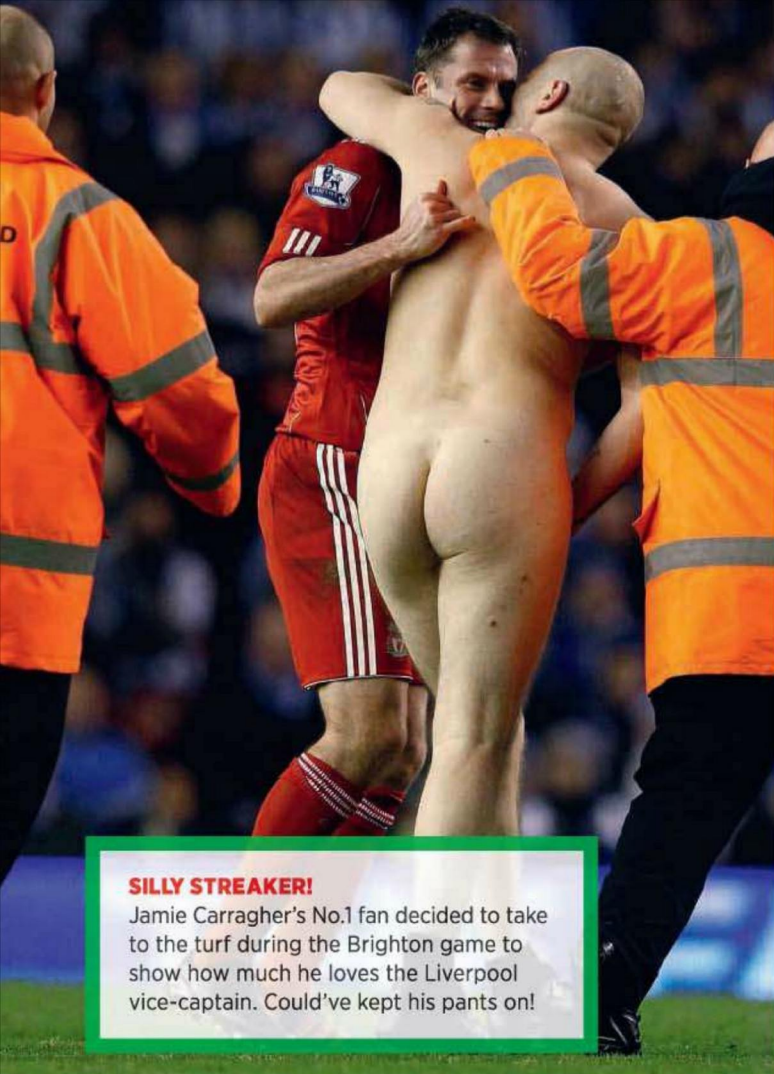

THIS SEASON has seen its fair share of bizarre pitch invasions. From scampering squirrels and naked nut-jobs to weirdos with handcuffs, *Nuts* loves a bit of loony field-rushing. So we decided to pick out our favourite moments of soccer-stopping action. Gents, enjoy!

MENTAL MOGGY!

The Anfield cat is so famous it even has its own Twitter account. The crazy kitty stopped play during the Liverpool vs Spurs match last month. Miaow!

CRAZY CUFFS!

This nutter handcuffed himself to a goalpost at Goodison Park for the visit of Man City. Hmm... we've noticed a theme with pitch invasions and the city of Liverpool.

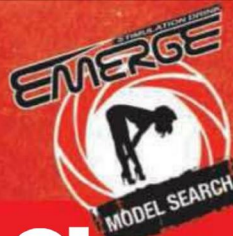

SILLY STREAKER!

Jamie Carragher's No.1 fan decided to take to the turf during the Brighton game to show how much he loves the Liverpool vice-captain. Could've kept his pants on!

NAKED NUTTER!

Some, though, aren't as accommodating as Mr Carragher. Take former FC Nordsjælland star Andreas Dahl – the Swede tried a spot of kung-fu on this uninvited guest.

Groves: 'I want to fight the best!'

British champ George on his upcoming title fight!

Hi George! How well have your preparations been going for your British super-middleweight title fight against Kenny Anderson?

Great, thanks. I've had some quality sparring, which isn't always easy to find, and I've looked after my weight for the entire training camp.

Anderson gave you problems when you last fought...

Yeah, I'm glad he's the mandatory challenger though because he's a good opponent and he did ask questions of me last time. But he's the only fighter I've made a mistake against so I want to get back in there and do things properly.

What are you hoping to achieve this year?

I want to defend my British title twice more so it's mine outright. Then I want to fight some of the top guys in my division, like Andre Ward and Lucian Bute.

How do you relax when you're not in training?

I'm a big fan of stand-up comedy. I try to get to as many gigs as possible. During camp, I watch *Mock The Week* and stuff like that.

At the start of the year, there were loads of British world champions, now there are hardly any. What's gone wrong?

You're right, but apart from Amir Khan, not all the guys were favourites to win their fights. Look at David Haye, for example. We've still got guys in the elite so it won't be long before we have more world champs.

Who do you think are the rising stars of British boxing?

It won't be long before Kell Brook's fighting for world titles. Nathan Cleverly can move on now and fight the elite in his division, too.

You're a big football fan. How do you think England will do in the Euros?

Well, Harry Redknapp seems to over-achieve with teams so he'd get the respect of the players if he was appointed. Something needs to be done. The team doesn't gel, and it hasn't done for years. One or two big names need to go. Until we get a goal-scorer like Alan Shearer, I don't think we'll win anything.

Thanks, George! Finally, do you impose a sex ban when you're in training?

Yeah! Rocky's trainer said, "Women weaken legs!" You need loads of energy in boxing, so using it up before a fight isn't such a good idea.
